Keeping families close

Your generosity makes an enormous difference to so many families and is very much appreciated. The Ronald McDonald House provides accommodation, care and support for 20 families every night. Since we opened in 2004 we have looked after over 3,000 families from all over Ireland whose children have been seriously ill and inpatient at Our Lady's Children's Hospital, Crumlin. **Your support will help us build a new 53 bedroom Ronald McDonald House at the New Children's hospital.**
