DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2014

The directors present their report and financial statements for the year ended 31 December 2014.

Principal activities and review of the business

The principal activity of the company continued to be the provision of family accommodation for parents of sick children.

At the year end the company was in a satisfactory financial position.

The principal risk and uncertainty facing the company is the fact that the location for the new National Children's Hospital has not yet been finalised. The company will move its operations to this new location and will have a material financial outlay to construct new premises when that time arises. For this reason the company has been building its reserves in recent years and will continue to do so until the move is finalised. The cash at bank amount in the balance sheet represents the accumulated funds saved to date for the building cost in this new location.

Results and dividends

The results for the year are set out on page 5.

The directors do not recommend the payment of a dividend for the year under review.

Post balance sheet events

There were no significant events affecting the company since the balance sheet date.

Directors

The following directors have held office since 1 January 2014:

Books of account

The measures taken by the directors to ensure compliance with the requirements of Section 202, Companies Act 1990, regarding proper books of account are the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel with appropriate expertise and the provision of adequate resources to the financial function. The books of account are held at the company's registered office, Ronald McDonald House, Our Lady's Hospital for Sick Children, Crumlin, Dublin 12.

Auditors

L M D Associates Limited, were appointed as the company's auditors and in accordance with section 160(2) of the Companies Act 1963, they continue in office as auditors of the company.

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2014

Statement of directors' responsibilities

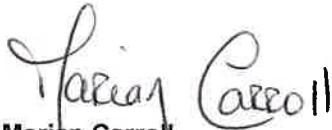

The directors are responsible for preparing the financial statements in accordance with applicable law and Generally Accepted Accounting Practice in Ireland including the accounting standards issued by the Accounting Standards Board and promulgated by the Institute of Chartered Accountants in Ireland.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing those financial statements, the directors are required to:

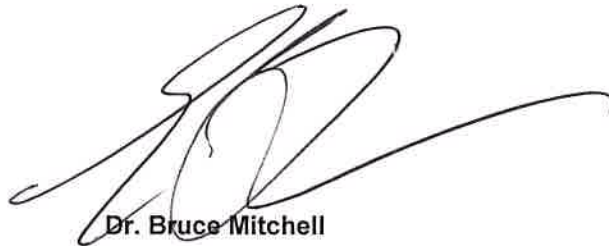

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Acts 1963 to 2013. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on pages 1 to 2 the directors are responsible for the preparation of the financial statements giving a true and fair view. Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors, including APB Ethical Standard - Provisions Available for Small Entities (Revised), in the circumstances set out in note 12 to the financial statements.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of the company's affairs as at 31 December 2014 and of its surplus for the year then ended ; and
- have been properly prepared in accordance with the requirements of the Companies Acts, 1963 to 2013.

- In our opinion proper books of account have been kept by the company.
- The financial statements are in agreement with the books of account.
- In our opinion, the information given in the directors' report is consistent with the financial statements.
